

IN THE UNITED STATES DISTRICT COURT
DISTRICT OF SOUTH CAROLINA

Raythum Johnson,

Plaintiff,

v.

Palmetto Health (Prisma Health) &
Neurosurgery, *Dr. Irwin Z. Mangubat*;
William Jennings Bryan Dorn Medical
Center, *Dr. John Chew*,

Defendants.

C/A No. 3:23-cv-5022-JFA-PJG

ORDER

Raythum Johnson (“Plaintiff”), proceeding pro se, brings this civil action. The Complaint has been filed pursuant to 28 U.S.C. § 1915; § 1915A. In accordance with 28 U.S.C. § 636(b) and Local Civil Rule 73.02(B)(2) (D.S.C.), the case was referred to the Magistrate Judge for initial review.

After performing an initial review of the complaint pursuant to the procedural provisions of the Prison Litigation Reform Act (“PLRA”), Pub. L. No. 104-134, 110 Stat. 1321 (1996), including 28 U.S.C. § 1915 and 28 U.S.C. § 1915A, the Magistrate Judge assigned to this action¹ issued an order informing Plaintiff that the complaint contained several deficiencies as drafted and providing him with time to file an amended complaint to correct those deficiencies. (ECF No. 8). Plaintiff was warned that failure to correct the

¹ The Magistrate Judge’s review is made in accordance with 28 U.S.C. § 636(b)(1)(B) and Local Civil Rule 73.02(B)(2)(d) (D.S.C.). The Magistrate Judge makes only a recommendation to this Court. The recommendation has no presumptive weight, and the responsibility to make a final determination remains with the Court. *Mathews v. Weber*, 423 U.S. 261 (1976).

deficiencies in his complaint and provide the necessary information within the timetable set forth in the Proper Form Order would subject the case to dismissal. Plaintiff filed no response.

After Plaintiff failed to respond, the Magistrate Judge prepared a thorough Report and Recommendation (“Report”). (ECF No. 14). Within the Report, the Magistrate Judge opines the Complaint is subject to dismissal for failure to comply with a court order pursuant to Federal Rule of Civil Procedure 41. *Id.* The Report sets forth, in detail, the relevant facts and standards of law on this matter, and this Court incorporates those facts and standards without a recitation.

Plaintiff was advised of his right to object to the Report, which was entered on the docket on November 30, 2023. *Id.* The Magistrate Judge required Plaintiff to file objections by December 14, 2023. *Id.* Plaintiff failed to file objections. Thus, this matter is ripe for review.

A district court is only required to conduct a *de novo* review of the specific portions of the Magistrate Judge’s Report to which an objection is made. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b); *Carniewski v. W. Virginia Bd. of Prob. & Parole*, 974 F.2d 1330 (4th Cir. 1992). In the absence of specific objections to portions of the Magistrate’s Report, this Court is not required to give an explanation for adopting the recommendation. *See Camby v. Davis*, 718 F.2d 198, 199 (4th Cir. 1983).

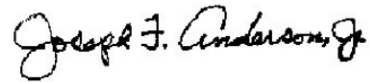

Here, Plaintiff has failed to raise any objections and therefore this Court is not required to give an explanation for adopting the recommendation. A review of the Report and prior orders indicates that the Magistrate Judge correctly concluded that Plaintiff’s

Complaint is subject to summary dismissal pursuant to Rule 41.

After carefully reviewing the applicable laws, the record in this case, and the Report, this Court finds the Magistrate Judge's recommendation fairly and accurately summarizes the facts and applies the correct principles of law. Accordingly, this Court adopts the Magistrate Judge's Report and Recommendation and incorporates it herein by reference. (ECF No. 14). Consequently, this action is summarily dismissed without prejudice.

IT IS SO ORDERED.
